The **Mountaineer Area Council Distinguished Citizens Dinners** are celebrations of leadership, service, and community that directly support more than 2,000 youth across northern West Virginia and eastern Ohio. Through Scouting America, young people gain life-changing experiences that build character, citizenship, and leadership through camping adventures, service projects, mentorship, and opportunities to achieve the rank of Eagle Scout.

Your sponsorship is more than support for an event—it is an investment in the future of our communities. By partnering with the Mountaineer Area Council, you help ensure every Scout has access to transformative programs while also connecting your organization with business and community leaders.

Together, we are shaping the next generation of leaders  
and creating brighter futures for youth throughout our region.
